KEY FEATURES

Bossklein V-WIPE ZERO wipes are a highly effective cleaner and disinfectant. Designed primarily for the dental and medical sector. Ideal to use where time is critical, such as in between patients and also in high traffic areas.

The brand new alcohol free ZERO formulation is ideal to use on the majority of non porous, wipeable surfaces; even those that are sensitive to alcohol, including dental chairs*

- Contact time of only 60 seconds
- 2 in 1; Cleans and disinfects
- Safe to use on sensitive surfaces*
- Modern, safe formulation
- Dual registration; Medical Device & Biocide
- Subtle apple aroma

ZERO has been rigorously tested and proven to be effective against all Bacteria and Yeast. EN 14476 Virucidal testing proves efficacy against all enveloped viruses including Coronavirus, HIV, Hepatitis and Influenza in just 60 seconds.

The revised formula takes advantage of modern, safer and greener chemical components. The new formulation contains a synergistic blend of two powerful biocides, is free from PHMB and contains detergent derived from renewable resources.

Bossklein V-WIPE ZERO is a 2 in 1 product. Containing a naturally sourced detergent to help clean and remove debris from a surface while simultaneously disinfecting.

The subtle apple aroma leaves surfaces and rooms reassuringly fresh, clean and ready for the next visitor.

COMPOSITION

Contains Aqua, Alkyl (C12-16) dimethylbenzyl ammonium chloride (ADBAC/BKC (C12-16)) (68424-85-1) 0.48% w/w (4.8g/kg), Didecyltrimethylammonium Chloride (7173-51-5) 0.22% w/w (2.2g/kg), Perfumes.

INSTRUCTIONS FOR USE

Using sufficient wipes for each application wipe the clean surfaces to be disinfected so that they are completely moistened and let the disinfectant take action over 60 seconds. Allow surface moisture to dry or wipe with clean tissue. For professional use only.

REGISTRATION

Dual registered as a Class IIa medical device for use on both non invasive medical devices and as a general purpose Biocide registered disinfectant. This ensures suitability for use within all types of clinical and non clinical environments.

TEST STANDARDS

The following test standards have been achieved: EN 16615, EN 14885, EN 14476, EN 13727, EN 13624.

VARIANTS AND PACKAGING

- BOS3000 Tub of 200 Ultra Wipes x 12 per box
